

Four Slaughter Units Leasing

JBS S.A.

NOTICE TO THE MARKET

JBS S.A. (JBSS3) informs its shareholders and the market in general that it has leased four production units in Brazil which were operated by Guaporé Carnes. Three of these units are located in the north of Mato Grosso State (Confresa, Juína e Colíder) and one in Rondônia (São Miguel do Guaporé). Together, these four plants have around 3,000 head daily slaughter capacity.

JBS believes that the synergies and operational benefits arising from this agreement bring value to the whole production chain.
