Director

André Gustavo Menezes

Investor Relations Manager

Period Overview

- We continued with our strategy of growing slaughtering capacity, increasing sales, focusing on cost reductions, efficiencies in yield/internal processes and adding value through the optimization of the sales mix in each market;
- Higher cattle acquisition costs, which is being handled by the Company's capacity to realign businesses and by market dynamics;
- Inauguration of an industrial plant for the production of beef jerky located in Santo Antonio da Posse, state of São Paulo;
- Start-up of operations in the units of Teófilo Otoni, Minas Gerais, Brasil; Pontevedra and Berazategui, Argentina;
- Acquisition of a slaughtering plant in Maringá, Paraná, Brasil;
- Acquisition of a cattle confinement unit in the state of São Paulo with an annual capacity for 150,000 animals;
- We continued to invest in the expansion of the slaughtering capacity of our plants in Brazil;
- As of the next Extraordinary Shareholders Meeting, the Investor Relations Department will become independent from the Financial Department.

Subsequent Events

- Acquisition of Swift Foods Company, making JBS the world's largest beef producer;
- Capital increase and entrance of BNDESPar as a shareholder of JBS;
- Important part of the adjustment has already been made through the capital structure for the acquisition, reducing Swift's net debt considerably;
- Opportunity to add value through the improvement of Swift's operational results;
- New management is already implementing a series of actions;
- We continue confident on the recovery of Swift's operational results.
